What's new in our community? Lots of stuff...

BBQ's

The picnic shelter now has two charcoal BBQ's that are free to use. They have been placed at the far end, along with several new benches.

Trails

Our trails have been upgraded, cleaned up and will soon have brand new signage. We now have Turtle Trail which is the main trail that begins near the playground, Beaver Trail that begins by the ball field and Ganong trail which provides a walking path around the baseball field. We also have a new trail called Old Stone Bridge Trail that leads back towards the lake with awesome marsh views!

Rock & Landscaping

The seniors commemorative rock has been placed and landscaping has been completed around the rock. The plaque will be installed on the rock soon.

Turf has been placed all around the picnic shelter and the rest of the area has been seeded.

Sports Equipment

The tennis courts have brand new nets, a basketball net and lines painted for both tennis and pickleball. The NCC provides multi-purpose equipment free of charge for any of these activities. The equipment is stored in the locker by the tennis court. To get the combination for the lock, please contact Taya Wallace at: tayawallace7@gmail.com

Free Library

Against the rink house you will find a weatherproof free library. Take a book or leave a book!

What's up and coming?

We have many current committees that are always looking for new volunteers. This fall and winter we are hoping to get our skating rink and rink house up and running, as well as getting electricity to our picnic shelter. Please visit our FB page or our website if you would like to volunteer your time to help with these or any other committee.

Watch for updates on new projects coming soon!
